

QUINTA DOS MURÇAS RESERVA

RED 2015

DOC DOURO

Quinta dos Murças is in northern Portugal, in the Cima-Corgo sub-region of the Douro, on the right bank of the River. It is characterized by its 8 diverse terroirs, which are distinguished by different altitudes, exposures, variations of schist soils and vertical vineyards. In 1947, the estate became a pioneer with the first vertical vineyard planted in the Douro region.

Concept: Quinta dos Murças Reserva comes from old vines planted at altitudes between 150m (490 ft) and 280 meters (915 ft), facing west. This is the classic version of a 'quinta' (estate) wine, where the emphasis is on the terroir to produce elegant wines with great aging potential.

Vintage: The winter was cold and dry, followed by a spring that was hot and also dry. The colder-than-normal temperatures at the beginning of the summer meant that the red grapes ripened earlier and were harvested in a perfect state of ripe boasting good levels of acidity and concentration. The harvest began on September 7.
