

# ESPORÃO

PÉ WHITE 2022 • Vinho de Mesa

**Wine with a fresh and fruity profile,  
obtained from several batches of wines that guarantee quality and permanent consistency.**

## **HARVEST YEAR**

The 2022 agricultural year was a dry year. During the vegetative rest period (autumn-winter) and spring, there were mild temperatures and low precipitation values. In the vineyard, budbreak was early, as in the previous year, and moderate temperatures anticipated vegetative development. The very high temperatures and the lack of water in the summer contributed to distant maturation between the varieties, resulting in a precision harvest with a special focus on the expression of each variety.
